AFTER YOU JOIN

Your Telegram invite link comes by email within 5 minutes of checkout. Here's what to look for.

1. Check your email

We email you a personal invite link to our members' Telegram channel, Odds Ace Australia. It comes from **info@oddsaceaustralia.com** to the email address on your Whop account, with the subject **Welcome to Odds Ace: your Telegram invite**.

2. Not in your inbox?

Check your junk, spam or promotions folder, or search your email for **Odds Ace**. If it's there, mark it **Not spam** (or **Not junk**) and add info@oddsaceaustralia.com to your contacts, so our emails reach your inbox. Whop also emails you a receipt and a sign-in code. Those come from Whop and don't include your invite link.

3. Join the channel

Open the link in the Telegram app and tap **Request to Join**, and you'll be let in automatically within a couple of minutes. The link is just for you and works for one Telegram account, so please don't share it. Turn on notifications for the channel to see each alert straight away. No Telegram yet? It's free from your phone's app store or telegram.org.

Nothing after 10 minutes?

Email info@oddsaceaustralia.com from the address you used on Whop, and we'll sort it out.

How to cancel

Any time, online: sign in at whop.com, open Profile, then Orders, choose Odds Ace and select Cancel membership. Cancelling is self-serve: we don't cancel memberships by email. Cancel during your 3-day free trial and you won't be charged at all; after that, access runs to the end of the month you've paid for. To stop the alerts straight away, leave the channel in Telegram as well. Your welcome email has the same steps.

18+ only. Odds Ace is an independent wagering-market analytics service, not a bookmaker. It's information, not betting advice.
