RESPONSIBLE GAMBLING

Odds Ace shows price gaps and weather. It can't make betting safe or profitable, and we'll never pretend it can.

Our commitments

- 18+ and Australian residents only.
- No bonus bets, deposit offers or other inducements, ever.
- No claims that betting makes money, and no "sure thing" or "can't lose" language.
- We only name or link to bookmakers licensed in Australia.
- We take no commission from bookmakers.
- You can cancel any time, online in your Whop account, and leave the channel in Telegram to stop the alerts straight away.
- You can mute the alert channel any time, for example overnight, without cancelling.

Help and tools

- **Gambling Help Online:** 1800 858 858 or gamblinghelponline.org.au. Free, confidential, 24/7, and it helps family and friends too.
- **BetStop, the National Self-Exclusion Register:** betstop.gov.au. Block yourself from all licensed Australian online and phone betting providers; it takes about 5 minutes.
- **Lifeline:** 13 11 14 or lifeline.org.au, any time of day or night, if you're in crisis or just need someone to talk to.
- **National Debt Helpline:** 1800 007 007 or ndh.org.au, free financial counselling if gambling has hurt your finances.
- **Deposit limits:** set one with every bookmaker you use, in your account settings.

18+ only. Odds Ace is an independent wagering-market analytics service, not a bookmaker. It's information, not betting advice.
